Franchise Vote On Next Tuesday

Pahokee voters will go to the polls next Tuesday to decide whether or not to grant a franchise to the Florida Power and Light Company for operation of its service in Pahokee. The voters will vote as usual at City Hall where all preparations have been made to conduct the election.

Prospects for passage of the franchise are exceptionally good, according to civic club workers who have endorsed the idea throughout the city. The Pahokee Garden Club and the Woman's Club have come out strong for the passage of the franchise and many who are members of those groups have predicted an excellent majority in favor of the idea. The Business and Professional Woman's Club members have added their voices in favor of the proposition.

Always active for the betterment of their city, the Pahokee Lions club, the Junior Chamber of Commerce and the Chamber of Commerce have endorsed the franchise. Several weeks ago the City Council of Pahokee voted unanimously in favor of the franchise.

Mrs. Santee Named Head Of Sorority

Mrs. Claude T. Santee of Canal Point was installed new president of the Omicron Chapter, Sigma Eta Fine Art Sorority, at the annual installation banquet held in the private dining room of the Cottage Grill at Belle Glade Sunday evening with Mrs. Martin Diebold of West Hollywood, past president of the Xi Chapter, acting as installing officer.

Other new officers inducted were Mrs. Floyd Grulus of South Bay, vice president; Miss Laurine Anderson of Belle Glade, recording secretary; Mrs. Horald Keniston of Belle Glade, corresponding secretary; Mrs. Luther Jones of Belle Glade, treasurer, and Mrs. Dave Young of Pahokee, historian.

Mrs. Frank Anderson gave the chapter collect. Mrs. Diebold spoke on "Art and the Sorority."

After Mrs. Santee received the president's gavel from Mrs. Edna Barrett, the retiring president, a past president's pin was presented to Mrs. Barrett by Mrs. Anderson. Mrs. Santee received from Pugh Floriste of West Hollywood a corsage made of pink tea roses, silver ribbon and white lace, featuring the sorority colors.

In the center of the banquet table was a miniature May pole decked with blue birds, bees, flowers and figurines representing art from all nations pin satin streamers connected each place setting with the pole, lending to the scene a festive but decorous air.

Austins Will Go To Europe On June 20

Mr. and Mrs. H. H. Austin of Pahokee will leave on June 20 for Europe where they will spend a 28-day vacation. They will go by air and Mr. Austin said the return trip will be made by Jet Plane in 400 minutes from Paris to New York. He is principal of the Elementary School in Pahokee.

Athletic Trophy To Basketball Player

The Pahokee Junior Chamber of Commerce has established an athletic trophy to be presented annually to the outstanding basketball player at Pahokee High School. This year's winner, Alvy Early, was presented with the trophy in an assembly period the past week with Bob Maxson making the presentation on behalf of the Jaycees. Early ran up a total of 427 points during the season to break the school's individual scoring record in basketball. He was named a member of the All-Suncoast Conference team, Southern Division and the district all-tournament team.

Dr R. C. Lane Named CC Vice President

Dr. Richard C. Lane was elected vice president of the board of directors of the Pahokee Chamber of Commerce and C. E. Williams was elected secretary of the board at a special meeting held in the chamber office in the Civic Building Monday afternoon with President Helen Hillier presiding. The election of Lane as vice president fills the vacancy left by the recent resignation of W. K. Aldridge from the board. Williams as secretary replaces Paul Dinnis who moved last month with his family to Brandon.

The board went on record as favoring the proposed 30-year franchise by the City of Pahokee to the Florida Power and Light Company which will be voted on in a referendum election Tuesday, May 26.

It was decided to contact local merchants to see what the sentiment is in regard to a Fourth of July fireworks program at Pahokee Harbor again this year, as financial assistance will be needed in order to stage the program.

Two Garden Clubs Install Officers

Mrs. Louis F. Sherwood of West Palm Beach, director of District 10 Federation of Garden Clubs, as installing officer at the joint installation luncheon of the Pahokee and Canal Point Garden Clubs, held Tuesday in the Canal Point Community Building, used "Trees" as the theme for the installation of officers of both clubs, with the various officers and members represented by parts of trees.

New officers of the Pahokee Club inducted by Mrs. Sherwood were Mrs. Norman A. Kennedy, president; Mrs. Curtis Chase, vice president; Mrs. Robert B. Simonson, recording secretary; Mrs. W. A. Keen, corresponding secretary, and Mrs. J. S. Chastain, treasurer.

Mrs. Duke Tucker, re-elected, was installed president of the Canal Point Garden Club; Mrs. A. R. Chastain, vice president; Mrs. W. N. Veal, secretary, and Mrs. J. H. Bordeaux, treasurer.

Mrs. J. T. Platt, retiring president of the Pahokee Club who acted as master of ceremonies at the luncheon, and Mrs. Tucker presented gifts to outgoing officers who served with them during the past year.

Canal Point 4-H Worker Awarded Scholarship

MISS JANETTE HARRINGTON, CANAL POINT, FLA.

Janette Harrington Awarded District Scholarship For 4-H Club Poultry Work

At the Achievement Day Program for Palm Beach County 4-H Club members, held at the Mounts Agricultural Center, Military Trail, Saturday, Janette Harrington, daughter of Mr. and Mrs. A. R. Harrington of Canal Point, was awarded a district scholarship from the State Department of Agriculture for her outstanding poultry project and is one of the 10 girl delegates from the County chosen to take the 4-H Short Course at Florida State University, Tallahassee, June 8-13. Virginia Nicely of Pahokee was also chosen to take the course.

Selected from the Pahokee-Canal Point area to attend the boys' 4-H Short Course at the University of Florida, Gainesville, the same week, June 8-13, were Joe Graham of Pahokee, Curtis Stevens and Gene Stacy of Canal Point. In the girls' senior group awards for outstanding projects were presented to Janette Harrington, poultry; Virginia Nicely, frozen foods; Katherine Young, recreation. In the junior group Rita Haggins received awards for food preparation and recreation. Awards for completing one year of 4-H work, including three completed projects, were received by Josephine Young, Nancy Harrington, Rita Haggins, Lyndel Chastain, Sharon Johnson, Charlotte Craton, Eloise Elliott, Faye Elliott and Hazel Sheppard.

Lynn Nicely was awarded first place in beef cattle projects and placed third in the best all-round boy club member contest. Joe Graham placed first in the boys' poultry project. Walter Parker won second place in vegetable gardening projects and Neil Walker, second in nursery and home beautification.

Court Of Honor On Tuesday Evening

Next Tuesday night in the Pahokee High School Auditorium a Boy Scout Court of Honor will be held at which time many Boy Scouts will receive awards and Four Pahokee Scouts from Troop 628 will receive the highest award in Scouting that of Eagle. Robert Boe, Wayne Boynton, Mike Watkins and John Hundley are the four young men to come in for this very high Scout honor and the presentation will be made by Mayor F. S. Dick Parrish. County Commission Vice Chairman Paul Rardin will act as Master of Ceremonies for the evening.

Robert Simonson is chairman of the board of review and has been assisted by dozens of fine men in Pahokee who have ably assisted Scout Master Louis Mims in the wonderful work accomplished by Troop 628. Scout Master Mims has two able assistants. They are: Ed Carver and Charles Jernigan.

Tenderfoot Awards by Coach Web Fell, Institutional Representative of Lions Club, Sponsoring Group, to Cal Spooner, Buddy Olsen, Michael Sanders, Jim Tyson, (continued on page 8)

Jim Ringo Elected Lions Dist. Gov.

Jim Ringo of Belle Glade, new Lions deputy district governor, was guest speaker at the weekly dinner meeting of the Canal Point Lions Club Monday night. Introduced by A. R. Harrington, program chairman, Mr. Ringo told of the activities at the recent State Lions Convention in Jacksonville.

The Canal Point Club was represented at the State Convention by James Gibson, president-elect; Harlan Sears, retiring president; and Osceola Upthegrove, past president and former zone chairman. Mr. Upthegrove also gave a report on the convention.

It was reported that the street lights fund is still considerably below the amount needed for the Club to enter contract with the Florida Power and Light Company for furnishing street lights in the community for another year, starting in July. Volunteer contributions to the fund will be appreciated by the Club.

Special recognition was given at the meeting to Delmar L. Hooks, past president, and Mrs. Hooks, a special dinner guest, who were celebrating their 33rd wedding anniversary.

June 3, June 3, June 3 Rote Ladies' Night

After changing the date several times, Pahokee Rotarians decided at yesterday's meeting to hold their Annual Ladies' Night on Wednesday Night, June 3, at the Community Building in Canal Point. President Bob Aepelgren urges that Rotarians and Rotaryans mark June 3 on their calendar.

A meeting of the room mothers of the Pahokee High School Senior Class was held at the home of Mrs. Lewis Friend Tuesday night with Mrs. Thomas Elliott, chairman, presiding.

Street Dance To Raise Senior Funds

A street dance for the benefit of the Pahokee High School Senior Class Fund will be held Friday, May 22, starting at 8 p.m., with the Senior Class Room Mothers acting as sponsors. The Police Department will rope off a portion of East Main Street in front of the Pahokee Motor Company for the dancing. Grady Thompson and his Orchestra will furnish the music.

Cancer Society To Hold Last Work Day

Pahokee women will hold their last work day of the season for the American Cancer Society in the Pahokee Woman's Club building this Friday from 10 a. m. to 3 p. m., when pads and dressings for local cancer patients will be made. There will be a sandwich luncheon at noon. Those who plan to attend the luncheon are asked to bring their own sandwiches. Drinks and dessert will be furnished.

Roberts Hopes To Hold The Tax Line

TALLAHASSEE — Palm Beach County Representative Emmett Roberts this week called the efforts of House and Senate Appropriations Committee to hold the spending line "the major issue" facing the 1959 Legislature at this time.

He also said it is "to be regretted" that many of the same persons and organizations who do not want increased taxes or persuaded to bring pressure on their legislators on behalf of state agencies who want more money during the next two years.

Representative Roberts reminded his constituents that the granting of an unjustified budget increase to one agency causes "an immediate clamor" from all the others.

The Palm Beach Lawmaker said state agencies have for the most part received generous budget increases during the past four years. He pointed out that the legislature is adopting a strict "hold the line" policy this session in response to the demands of a vast majority of Florida citizens.

"With due respect to many fine agencies, it is necessary that services not absolutely essential be eliminated or postponed so that Florida will not become another Michigan. Our state is still on a sound financial basis and we intend to keep it that way," Roberts declared.

Representative Roberts led a successful floor fight to pass trading stamp regulations, and called the measure "one of the better pieces of legislation passed this session. It does not infringe on the stamp firms' rights but it does protect the public interest," he asserted.

Roberts, who was instrumental in interim probes into migrant labor or camp conditions, also pushed through a bill which will do much to correct those conditions. So far he has introduced or co-introduced some 100 local bills and, general measures.

Night and weekend meetings are forecast for the last days of the session, with less than three weeks now remaining, Roberts indicated.

Pensacola Marks 400 Years Growth

PENSACOLA — A series of gala parades and an unusual church consecration ceremony highlighted the first week of Pensacola's three month celebration of Florida's 400th anniversary.

First of the parades was the Krewe of LaFitte, a lavish spectacular put on by the social organization on May 13. The following day provided the official Fiesta of Five Flags parade. The third parade, on May 15, was the engaging Children's Parade while Saturday, May 16, was marked by the U. S. Navy's Open House at Pensacola Naval Air Station.

Climaxing the parades was the consecration of a replica of the church that served the island village of Pensacola in 1723. During the ceremony, the church in the reconstructed third Spanish village of Pensacola was accepted by the Catholic hierarchy as a gift from the Quadracentennial Commission. Archbishop Thomas J. Toolen of the Diocese of Mobile led the services.

Florida's Quadracentennial marks 400 years since the first attempted colonization of the state. This is the first quadracentennial celebrated in the United States, for Florida has the longest history of any of the states.

Social Security Quarters Needed

The amount of social security credit needed to qualify for benefits is still widely misunderstood, R. C. Gehrken, Jr., district manager of the West Palm Beach social security office, stated today. Many people think that 2 years of social security credit will qualify them for benefits at retirement age. This is not true in the majority of cases.

A person who has reached retirement age and has worked long enough to be "insured" may get monthly social security payments. Retirement age is 65 for men and 62 for women. The amount of credit needed, called quarters of coverage, depends on the person's date of birth. As an example, a man born July 1894 would need 17 quarters of coverage, or 4 1-4 years. A woman born July 1897 would also need 17 quarters of coverage.

Gehrken also pointed out that the younger the person is the more time he will generally need under the social security program to qualify for benefits. The amount of work necessary to be fully insured is always at least 6 quarters (1 1/2 years) and never more than 40 quarters (10 years).

How many quarters of coverage are needed and how they may be earned is the subject of a new leaflet prepared by the Social Security Administration. The leaflet is free and may be obtained through your nearest social security office, according to Gehrken. Ask for the leaflet on "Social Security Credits," he urged. The address of your nearest office can be found under "U. S. Government" in your telephone book. Information about your social security office and its services can also be obtained from your local post office.

Color Photo To Be World's Largest

TAMPA — The world's largest color photograph, 80 feet long by 20 feet high, was installed recently in Cincinnati after having been produced by Color Corporation of America, a Tampa-based firm.

The super-size color print is installed in the Cincinnati Music Hall ballroom. The print, which was magnified 105 times, was made by a special enlarger. The picture is equivalent to 40,000 average amateur prints.

Before Color Corporation made this 80-foot picture, the world's largest color photograph was in the Grand Central Terminal in New York. The 60 feet by 18 feet picture was produced by Eastman Kodak.

The Glades Singing Convention will meet next Sunday, May 24, in Pahokee at the Church of God of Prophecy, from 2:30 to 5 p. m. Everybody welcome. Come and enjoy the afternoon in song.

... Growing With The Future

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4443.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Bride's Shower For Mary Arthur Kirk

The Pahokee Woman's Club building was the scene of a recent bride's shower in compliment to Miss Mary Arthur Kirk, who will become the bride of Robert Eugene Starling of Jacksonville on June 5. In decorating the clubhouse for the occasion a color scheme of pink and green was used by the hostesses, Mrs. M. P. Stanley, Mrs. Virginia Crews, Mrs. Maribelle Rawls, Mrs. Claude Padgett, Mrs. Bill Jones and Mrs. M. H. Baxter. Miss Corinne Collins was in charge of the guest book. Serving at the punchbowl were Mrs. Billy Turbeville and Miss Patty Marchant, an out-of-town guest from Lakeland. Musical numbers were presented by Mrs. Valerie Henderson, Mrs. Billy Turbeville and Miss Linda Sellers, accompanied by Mrs. M. P. Stanley at the piano. Soft piano music was played during the shower by Mrs. Myers Fountain.

Communication

Dear Disaster Committee Member: With the approach of the hurricane season, we are very anxious to have a well organized County Disaster Committee.

A meeting is being held on Tuesday, May 26, at 8 00 P. M. in the City Hall, Belle Glade.

Your presence is urgently needed. Sincerely,
Robert M. Shirk
County Disaster Chairman

Mrs. Lane Installed New Sorority Pres.

Mrs. Richard C. Lane was installed new president of the Beta Omicron Chapter, Beta Sigma Phi Sorority, at the meeting at the home of Mrs. Ellis Wilkinson. Other new officers inducted were Mrs. Milton Salvatore, vice president; Mrs. Lewis Walker, recording secretary; Mrs. Lee Shirley, corresponding secretary, and Mrs. Oscar Dobrow, treasurer. New chairmen of standing committees for the coming year were named by the new president at the meeting.

Marvin Cowart Is Men's Club Head

Marvin Cowart was elected president of the Pahokee Methodist Men's Club during the May dinner meeting held at the church Tuesday night with Dr. Richard C. Lane, retiring president, presiding. Other officers elected for the new church year were Inman W. Weeks, vice president; J. L. Tyson, Jr., secretary-treasurer. It was announced the new officers will be installed during the June 16th dinner meeting when wives of members will be guests. The devotional program for the evening was presented by James W. Vann.

The assembly period at Pahokee High School Tuesday was devoted to electioneering by the candidates running for offices in the Student Council with Willie Veal, retiring president of the Council, acting as master of ceremonies. New Student Council officers will be elected this week and installed next week.

Christian Science Group Of Canal Point

The spiritual identity of the man of God's creating will be brought out a Christian Science services Sunday in the Lesson-Sermon entitled "Soul and Body."

Initial selections to be read from the Bible include these verses from Psalms (90:1, 2): "Lord, thou hast been our dwelling place in all generations. Before the mountains were brought forth, or ever thou hadst formed the earth and the world, even from everlasting to everlasting, thou art God."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read (280:25-30): "Rightly understood, instead of possessing a sentient material form, man has a sensationless body; and God, the Soul of man and of all existence, being perpetual in His own individuality, harmony, and immortality, imparts and perpetuates these qualities in man, through Mind, not matter."

Woman's Club In Luncheon Meeting

The Pahokee Woman's Club at a luncheon meeting in the clubhouse, with Mrs. Frank Friend, president, presiding, voted to support the re-apportioning of the present district and expressed the desire to be included in the new district that would comprise clubs to south and east as far as Fort Lauderdale.

Mrs. Friend requested members to bring written program suggestions for the coming year at the May 27th installation luncheon which will be the last meeting of the season.

Mrs. William Thiebaud of Belle Glade, guest speaker, presented a program on "Stephen Foster." The speaker reviewed a biography of Foster. Martha Davidson sang Foster's first song, "Open Thy Lattice, Love," composed at the age of 16 years, and his last song, "Beautiful Dreamer," accompanied at the piano by Linda Evans.

Skip Day Enjoyed By Senior Class

More than 50 members of the Pahokee High School Senior Class observed annual class skip day Monday when they enjoyed a picnic dinner and beach party at Phipps Park on the East Coast. Many of the Seniors also attended theatre shows in the afternoon. Accompanying the group were the faculty sponsors of the class, Mrs. Phara Morris and Jim McCormick, Mrs. McCormick, Kyle Scott, J. W. Raper and room mothers Mrs. H. M. McIntosh, Mrs. Lewis Friend, Mrs. E. F. McIlwain, Mrs. J. T. Platt, Mrs. Carmen Salvatore, Jr., Mrs. E. S. Parnell and Mrs. Elmer Uthegrove.

NEW OFFICERS

New officers of the Pahokee Woman's Club will be inducted at the annual installation luncheon to be held in the clubhouse Wednesday, May 27, at 12 noon, with Mrs. Ivan Van Horn to serve as installing officer. This will be the last regular club meeting until the opening of the fall season.

Rotarians Hear Cmdr. A. R. Boule, Jr.

Lt. Comdr. A. R. Boule, Jr., commanding officer of the Naval Reserve and Marine Corps Reserve Training Center, Riviera Beach, was guest speaker at last week's luncheon meeting of the Pahokee Rotary Club. The speaker told the Rotarians some of the steps being taken to modernize our Armed Forces and Defense system as we find ourselves on the threshold of the Space Age. He invited club members to visit the two Navy vessels, USS Penguin, a rescue and salvage ship, and the USS Salinan, a sister ship, at the Port of Palm Beach where they were tied up and held open house to the public as part of the observance of Armed Forces Week last weekend. The club completed plans for its annual Ladies Night Program which will be held at a dinner meeting in the Community Building at Canal Point the evening of June 5.

Heating — Air Conditioning — Appliances

AIR CONDITIONING costs so little...saves so much

There's really no reason why your family shouldn't enjoy cool comfort all summer long. No reason to suffer muggy discomfort and sweltering, sleepless nights. Air conditioning your home today. Eventually...so why delay?

SAVES HEALTH—Filtered air blocks out dust and pollen, brings relief from allergies... safeguards youngsters from "prickly heat." Right temperature bolsters appetites... protects energy.

SAVES CLOTHING, rugs, books, luggage... because air free from excess moisture prevents musty, moldy odors and mildew damage.

SAVES CLEANING BILLS—because air conditioning, cleans the air—dust can't blend with air moisture to form a film of soil.

SWITCH TO COOL COMFORT

SAVES "GOING-OUT" SPENDING—provides cool comfort for stay-at-home entertainment. Closed windows lock out street noises, for quiet relaxation.

You save in many ways. Air conditioning is the Biggest Bargain in your budget... and it adds to a home's resale value.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as small as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, top of all, the money saved out of your pay each week is automatically invested for you in U.S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative continuously when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.50!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly when you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

year. Mrs. Kennedy presented Mrs. Platt with an orchid. Gifts of milk glass were presented to Mrs. Tucker by Mrs. A. R. Chastain and to Mrs. Sherwood. Each of the 75 persons present received for their gardens gift packages of fertilizer and fungicide from the Glades Chemical Company.
At a brief business session the Pahokee Club voted to transfer \$500 from the club treasury to the building fund for a garden club center. Mrs. Sherwood announced a Gardner Club short course will be conducted at the University of Florida, Gainesville, June 23-25.

In the small court formed by the U-shaped luncheon table was a striking arrangement of flowers with the accent on day lilies. At the entrance of the court was a "cor sage tree" bearing corsages made of dried materials, a project of the Canal Point Club.

Guest speaker was Mrs. Cooper Saunders of Orlando whose subject was "The Magic Suitcase," relating to the byproducts of the oil industry.

Mrs. Edward A. Jensen of Pahokee and Mrs. Oliver H. Sheppard of Canal Point served as co-chairmen of the joint hospitality committee in charge of luncheon arrangements.

Juniors Entertain Seniors At Prom

"Blue Hawaii" was the theme of the PHS Junior-Senior banquet and prom, a swanky affair in which the Juniors entertained the Seniors in a royal manner Friday night.

Countless reams of crepe paper and aluminum foil were used by Becky Barwick and her decorations committee to transform the gym into a tropical fairland covered with an overhanging, shimmering sky of heavenly blue. Each of the guests upon arrival was given the traditional Hawaiian welcome as a lei was placed around his or her neck. Following the impressive promenade of the Seniors, dancing was enjoyed to the music of Joe Bonne and his orchestra of West Palm Beach.

The banquet which preceded the prom was held in the school cafeteria. Guests, in addition to the Seniors, included County Superintendent and Mrs. Howell Watkins, School Trustee and Mrs. Jim Nemeac, School Trustee and Mrs. A. R. Harrington, faculty members, Senior and Junior room mothers and their husbands.

Suzanne Morgan was Junior Class chairman of banquet arrangements; Dorothy Hatton, entertainment, and Shirley Levins, invitations and orchestra. The Juniors were assisted in the planning of the crowning social event of the school year by their class sponsors, Mrs. Doris Lane and R. G. White-side.

Future Farmers In Annual Banquet

Honorary memberships to the Pahokee Chapter, Future Farmers of America, were conferred on W. E. McGill and Lewis Friend for their outstanding service to the chapter at the annual banquet held jointly by the FFA boys and members of the Pahokee Chapter, Future Homemakers of America, in the new school cafeteria with parents attending as guests.
Willie Veal, FFA Chapter president, acted as master of ceremonies and presided at the opening ceremony in which other FFA officers and W. R. Norman, chapter advisor, took part. Jerri Upthegrove welcomed the guests. Warren Repper reviewed the year's work and achievement for the FFA boys and Betty Johnson, for the FFA girls. County Agricultural Agent M. U. Mounts, guest speaker, was introduced by A. R. Harrington, school trustee.

Tripp Alderman Better After Surgery

Tripp Alderman, Pahokee High School Senior who has resolutely been pursuing his courses of study in spite of grievous handicaps, has recuperated sufficiently from recent surgery at St. Joseph's Hospital in Tampa that he is expected to return to his classes at PHS this week. Tripp is still confined to a wheel chair following crippling injuries he suffered in a car accident last October that left him paralyzed below the waist.

Joe Crosby Given Baptism In Lake

J. B. (Uncle Joe) Crosby of Pahokee, who has been bedfast since suffering a paralytic stroke several years ago, was administered baptismal rites in Lake Okeechobee Sunday afternoon with Elder Thomas, pastor of the Primitive Baptist Church of Miami officiating. Assisting in the rites were Elder Jones of West Palm Beach, Elder Lightsey and Elder Harding of Okeechobee. Preceding the ceremony special services were held in the Crosby home on East Main Street.

Harry Brooks Elarbee of West Palm Beach spent the weekend in Pahokee with his mother, Mrs. Alice Dewhirst, and grandmother, Mrs. George W. Elarbee.
